

**Alabama Board of Nursing
Group On-Line Verification Subscription Service
Notice of Fee Structure Changes**

In furtherance of our mission of public protection, the Alabama Board of Nursing is changing the format and fee structure for our Subscription Service, so that level of service is determined by the number of licensees you employ, rather than specific services requested. Our full range of services will be available to each level of subscriber. For existing subscribers, the fee change will correspond with your renewal date and will be reflected on your next invoice.

All service notices will include the following:

1. PUSH technology
2. Name of licensee
3. License Number
4. License status (including temporary permits)
5. Expiration date of license
6. Original date of licensure
7. Prior public action: Yes or No (copy of Board Order without charge if requested)
8. Advanced Practice status
 - A) Date of initial approval of Advanced Practice status
 - B) Date of expiration of Advanced Practice status
 - C Name of collaborating physician for CRNP/CNM
 - D Prescriptive authority: Yes or No for CRNP/CNM

What do I need to do?

- Determine the level of service required based on number of licensees.
